This procedure is now set forth in Section 1.87 of the Commission's Rules.⁴ We find that the Blue Sky's application has sufficient public interest benefits to justify the issuance of a show cause order. Furthermore, Blue Sky states that it would reimburse Central Idaho Broadcasting for the reasonable costs incurred in connection with the proposed channel change consistent with the *Circleville* policy.⁵

Accordingly, IT IS ORDERED, that pursuant to Section 316(a) of the Communications Act of 1934, as amended, 47 U.S.C. Section 316(a), and pursuant to Section 1.87 of the Commission's Rules, Central Idaho Broadcasting SHALL SHOW CAUSE why its license SHOULD NOT BE MODIFIED to specify Channel 277C3 in lieu of Channel 236C3. Central Idaho Broadcasting may not later than 30 days from the date of this letter, file a written statement showing with particularity why its license should not be modified as proposed in this *Order to Show Cause*. The Commission may call upon the affected licensee herein to furnish additional information. Upon review of the statements and/or additional information furnished, the Commission may grant the modification, deny the modification, or set the matter of modification for hearing. If no written statement is filed by the date referred to above, the licensee will be deemed to have consented to the respective modification as proposed in this *Order to Show Cause* and its assignment will be modified to specify the new channel.

Further action on the subject application will be withheld for thirty days from the date of this letter to provide an opportunity to reply. Please note that responses must be submitted to the Secretary of the Commission in triplicate and must be served on all parties.
