Description of Application

This application is one of several applications being concurrently filed by Immaculate Heart Media, Inc., requesting Commission consent to modify the license of the AM radio station set forth herein ("Station"), to convert the Station from non-commercial educational ("NCE") status to commercial status.

Pursuant to Section 73.1690(c)(9) of the Commission's rules, this request is being filed on FCC Form 302-AM. However, Section II, Items 3-6 of the Form 302-AM (relating to program test authority and the Station's underlying construction permit) are inapplicable to this type of request. The Station has been operating – and currently is operating – pursuant to the terms of its most recent license authorization. The only change being requested is to change the Station's status from NCE to commercial.

In addition, pursuant to recent changes to Section 73.1125 of the Commission's rules, which provide that a radio station no longer is required to maintain a local main studio, no response is being provided to Section III, Item 4 of the FCC Form 302-AM.
