Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Greig:

This letter concerns the request you filed on May 14, 2018, on behalf of San Tan Educational Media (STEM), for extension of Special Temporary Authority (STA) to permit Low Power FM Station KFXY-LP to remain silent.

Commission records reflect that STEM stated that Station KFXY-LP went silent on November 19, 2017, for technical reasons. The previous STA was granted on December 13, 2017, and expires on June 11, 2018. STEM requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

STEM's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KFXY-LP to remain silent until November 19, 2018. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KFXY-LP will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., November 20, 2018.¹**

STEM is required to notify the Commission when broadcast operations resume. If STEM does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Lisa Scanlan
Deputy Chief, Audio Division
Media Bureau
