Re: CC Licenses, LLC, As Debtor in Possession
(CCL)
WKJK(AM), Louisville, Kentucky
Facility Identification Number: 55497
Special Temporary Authority (STA)
BESTA-20180730ABG

Dear Mr. Langham:

This is in reference to the request filed on July 30, 2018. CCL requests an extension of the STA granted on February 8, 2018, to continue operating with parameters at variance to allow time to complete repairs.¹ In support of the request, CCL states that additional time will be needed before it can resume licensed operations.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension STA IS HEREBY GRANTED, and CCL may continue to operate with parameters at variance from licensed values and/or reduced power while maintaining monitor points within licensed limits. CCL must reduce power or cease operations if complaints of interference are received, and use whatever means are necessary to protect workers

¹ WKJK(AM) is licensed for DA operation on 1080 kHz with 10 kW day and 1 kW night using different patterns.

and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. CCL must submit an e-mail to my attention to certify the date the station resumed licensed operations per BL-19850220AG with negligible changes.

This authority expires on **February 27, 2019**.

Sincerely,
