Re: Christyahna Broadcasting Inc. (CBI)  
NEW(AM), Lemon Grove, California  
Facility Identification Number: 160820  
File Number: BNP-20070926AMO

Dear Mr. Turro:

This letter refers to: the above-captioned application filed by CBI for a new AM station at Lemon Grove, California; the Petition to Deny filed by Gold Coast Broadcasting, Inc. (GCB) on October 11, 2007, and all related pleadings; and the final amendment filed on August 22, 2018.

In the Petition to Deny, GCB objected to CBI's long form application to change the proposed community license to Santee, California,<sup>1</sup> and claimed the proposal caused interference to co-channel station KUNX(AM), Santa Paula, California, in violation of Section 73.37 of the Commission's rules. On July 29, 2009, CBI amended the application to change the city of license back to Lemon Grove, and to eliminate interference with station KUNX(AM). GCB did not file any subsequent pleadings objecting the amendment.

Accordingly, the October 11, 2007 Petition to Deny filed by Gold Coast Broadcasting, Inc. is hereby DISMISSED as moot, and the application (File Number: BNP-20070926AMO) is hereby GRANTED.

Sincerely,

Son Nguyen  
Supervisory Engineer  
Audio Division  
Media Bureau

---

<sup>1</sup> CBI's short form application BMP200401429ARM specified Lemon Grove as its proposed community of license.
