In regard: WAGS Radio AM, Bishopville, SC 29010
Facility ID No. 9105
Silent since March 1, 2018
Request for additional Special Temporary Authority to Remain Silent

Ms. Scanlan:

On April 27, 2018 I received a letter granting permission for a Special Temporary Authority to permit AM Radio Station WAGS to go silent as of March 1, 2018. The letter states that the STA allows the station to remain silent for 180 days. This date would be September 1, 2018.

We have the station with a broker and have received a number of inquiries into the sale of the station. The inquiries have not at this time turned into a serious buyer but we remain hopeful. I ask that our STA be extended to March 2, 2019, and if at that time we have not found a buyer we understand we will need to surrender the license.

We believe in small town AM radio and to surrender the license at this point would end the possibility that WAGS Radio would be able to continue to serve the community of Bishopville and Lee County.

Although mail is being forwarded to us from Bishopville there is a time delay and not all things reach me. It would be helpful if all future correspondence came to Harrisonburg.

Sincerely,

James Jenkins
