Program Test Authority Granted for WFBT (FM)

Audio Division, Media Bureau

Date: September 12, 2018
File Number: BLH-20180907AAJ
Call Sign: WFBT (FM)
Facility ID Number: 34006

Program test authority is granted to operate WFBT (FM) at the authorized effective radiated power (ERP) of 5.3 kW with the directional facilities constructed in accordance with construction permit BPH-20180226ABF.

Grant of the covering license application will be intentionally delayed for some days due to Hurricane Florence. That way, should problems occur with this new facility because of the storm, WFBT can immediately continue operations with the previous facility licensed under the file number BLH-20140226AEW. Please let us know if that occurs.

A copy of this e-mail will be posted in the FCC's CDBS database under the file number above. Please retain a copy of this authorization for your records.

Considerations:

Licensee must take all steps to ensure that workers and the public are not exposed to radiofrequency exposure in excess of the Commission's exposure limit.
