Special Temporary Authority (STA)  
BESTA-20170427AAE

Dear Mr. Angulo:

This is in reference to the request filed on April 27, 2017. ARC requests a further extension of the STA originally granted on October 29, 2004, to continue ND operation pending the filing of the required FCC Form 302 application to cover BP-20170427AAE.<sup>1</sup> In support of the request, we note that additional time will be required to file the application.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA IS HEREBY GRANTED, and ARC may continue to operate ND using a maximum of 0.625 kW. ARC must use whatever means are
