Dear Madame Secretary:

On behalf of Broadcast Educational Communications, Inc., transmitted herewith in triplicate is an application on FCC Form 302-AM (and portions of FCC Form 340) to convert AM Broadcast Station KQV, Pittsburgh, Pennsylvania, from "commercial" to "non-commercial educational" status. This application is filed in conjunction with an FCC Form 314 assignment of license application, File No. BAL-20180829AAV. The grant by the Commission of said application, which occurred on September 24, and consummation of the transactions proposed

therein, which also occurred on September 24, are conditions precedent to the change in status of

Station KQV.

As the applicant is a non-profit corporation which proposes to operate KQV pursuant to

Section 73.503 of the Commission's Rules, this application is non-feeable under Section

1.1116(c) of the Commission's Rules.

Should additional information be desired in connection with the above matter, kindly communicate with undersigned counsel.

Sincerely yours Lee J. Peltzman Counsel/for Broadcast Educational Communications, Inc.

NOTE: The failure to include an explanatory exhibit providing full particulars in connection with a "No" response may result in dismissal of the application. See Instructions, paragraph L for additional information regarding completion of explanatory exhibits.

Section II - Legal and Financial

- 1. **Certification.** Applicant certifies that it has answered each question in this application based on its review of the application instructions and worksheets. Applicant further certifies that where it has made an affirmative certification below, this certification constitutes its representation that the application satisfies each of the pertinent standards and criteria set forth in the application instructions and worksheets.
- 2. Eligibility. Each applicant must answer "Yes" to one and "No" to two of the three following certifications. An applicant should not submit an explanatory exhibit in connection with these Question 2 "No" responses.

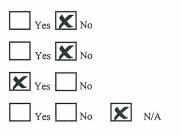

The applicant certifies that it is:

- a. a nonprofit educational institution; or
- b. a governmental entity other than a school; or
- c. a nonprofit educational organization, other than described in a. or b.
- 3. For applicants checking "Yes" to question 2(c) and applying for a new noncommercial educational television station only, the applicant certifies that the applicant's officers, directors and members of its governing board are broadly representative of the educational, cultural, and civic segments of the principal community to be served.
- 4. a. The applicant certifies that the Commission has previously granted a broadcast application identified here by file number that found this applicant qualified as a noncommercial educational entity with a qualifying educational program, and that the applicant will use the proposed station to advance a program similar to that the Commission has found qualifying in applicant's previous application.

b. Applicants who answered "No" to Question 4(a), must include an exhibit that describes the applicant's educational objective and how the proposed station will be used to advance an educational program that will further that objective according to 47 C.F.R. Section 73.503 (for radio applicants) or 47 C.F.R. Section 73.621 (for television applicants).

5. The applicant certifies that its governing documents (e.g., articles of incorporation, by-laws, charter, enabling statute, and/or other pertinent organizational document) permit the applicant to advance an educational program and that there is no provision in any of those documents that would restrict the applicant from advancing an educational program or complying with any Commission rule, policy, or provision of the Communications Act of 1934, as amended.
