**Re: Notification of Reduced Power
KLWV, Chugwater, WY (FIN:91514)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of FM NCE station KLWV, Chugwater, Wyoming, and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KLWV has been operating at reduced power since September 1, 2018.

KLWV has been operating at reduced power since September 1, 2018 as a result of antenna Line damage. If EMF is unable to return KLWV to full power within 30 days, EMF will request special temporary authority to allow KLWV to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary O'Connor
