Re: KQMP(FM): Hollywood, MS
Facility ID No. 175589
Casa de Destino, Inc.
BPED-20181009AAI

Dear Applicant:

This letter refers to the above-captioned application for a minor change to a licensed facility. For the reasons stated below, we will dismiss the application.

An engineering study of the application reveals that it is in violation of 47 C.F.R. § 73.509 with respect to: (1) first-adjacent channel Class A license (BLED-20120326AAE) for KWHF(FM), West Helena, AR, and (2) first adjacent channel Class C3 license (BLED-20020520ABB) for WEVL(FM), Memphis, TN. Specifically, with respect to KWHF, the proposed protected contour (60 dBu) will receive prohibited overlap from the interfering contour (54 dBu) of KWHF by as much as 1 kilometer between the azimuths of 175°T to 264°T. In addition, the proposed interfering contour (54 dBu) would cause prohibited overlap to KWHF's protected contour (60 dBu) by approximately 1 kilometer between the azimuths from 185°T to 215°T. With respect to WEVL, the proposed protected contour (60 dBu) will receive prohibited overlap from the interfering contour (54 dBu) of WEVL by approximately 1 kilometer between the azimuths of 37°T to 62°T. This constitutes an acceptance defect.

In light of the above, Application BPED-20181009AAI is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and is HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

Rodolfo F. Bonacci
Assistant Chief
