Facility Identification Number: 62178  
Special Temporary Authority  
BLED-20171114AAU

Dear Licensee:

In light of the continuing delays in implementing the modified facilities and documentation needed to make the above captioned license application licensable, license application BSTA-20171114AAU IS DISMISSED. The underlying construction permit BPED-2-141216AAD IS CANCELLED.

However, we point out that corrective facilities are authorized under construction permit BPED-20180619AAN, and that Longmont Community Radio may file a new license application containing the required directional antenna exhibits when the station is ready to operate as authorized in that permit.

Sincerely,

Dale Bickel
