Program Test Authority, pursuant to Section 73.1620 of the Commission's Rules, IS GRANTED to operate KIKO-FM with the directional FM facilities in license application BLH-20181121AAM. This authority is subject to modification or cancellation based on the outcome of the petition for reconsideration filed by Kona Coast Radio, LLC against the underlying construction permit BPH-20170620ABH, and its informal objection against the pending license application. Processing on the license application will be deferred pending our review of these pleadings.

This action does not imply any judgment on the pleadings filed by Kona Coast Radio, LLC or the responses submitted by the licensee.

This replaces the half-power operating authority conferred by Section 73.1620(a)(2). See also Section 73.1610, Equipment Tests.
