RE: Local Public Inspection File
KIKO(AM) Apache Junction, AZ
FACID 72477

Dear Madam Secretary:

This is to notify the FCC concerning the status of the station KIKO(AM) local public inspection file.

As outlined on the list attached to this statement, various station quarterly Radio Issues/Programs Lists were not filed with a written explanation attached. In addition, a number of lists were prepared on a timely basis and maintained on an electronic storage device and timely filed.

As outlined on the list attached to this statement, various station quarterly Radio Issues/Programs Lists were uploaded to the Commission's electronic public inspection file in December 2018.

Moreover, the station has encountered significant technical issues that has impacted the station quarterly Radio Issues/Programs from 2013 to the date of this letter. The licensee has also discussed with Mr. Michael Wagner of the Commission's Media Bureau staff the aforementioned technical issues. Mr. Wagner instructed the licensee to file a statement from the radio staff detailing the technical issues that has impacted the stations.

In addition, the licensee has reviewed the public inspection file requirements with its station staff and emphasized its importance to ensure future compliance.

Sincerely,

John Low, President
1TV.com, Inc.
