Request for Extension of Special Temporary  
Authority to Remain Silent

Dear Mr. Montero:

This letter concerns the request you filed on December 10, 2018, on behalf of Siembra Fertil P.R., Inc. (SF), for extension of Special Temporary Authority (STA) to permit FM Radio Station WNNV to remain silent.

Commission records reflect that SF stated that Station WNNV(FM) went silent on June 21, 2018, for technical reasons. The previous STA was granted on July 18, 2018, and expired on January 14, 2019. SF requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

SF's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WNNV(FM) to remain silent until June 21, 2019. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WNNV(FM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., June 22, 2019.**<sup>1</sup>

SF is required to notify the Commission when broadcast operations resume. If SF does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.<sup>2</sup>

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.<sup>3</sup>

Sincerely,

Lisa Scanlan  
Deputy Chief, Audio Division  
Media Bureau
