In re: W247AT, Harvest, AL
BMPFT-20181210AAS
Facility ID # 157017

Dear Applicant:

This refers to the above-captioned application for W247AT, Harvest, Alabama.

An engineering study has revealed the application violates 47 C.F.R. § 74.1204(a) with respect to WVMB-LP, Madison, Alabama (BLL-20040517ACO)¹ and WAJF-LP, Decatur, Alabama (BLL-20161026AAK)². Section 74.1204(a) states that an application for a FM translator station will not be accepted if the proposed operation would involve prohibited overlap of predicted field strength contours with any other authorized station. The proposed 40 dBu interference contour overlaps with the 60 dBu protected contours of WVMB-LP and WAJF-LP.

In light of the above, the application BMPFT-20181210AAS is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
Deputy Chief
Audio Division
Media Bureau

¹ WVMB-LP's application BPL-20181205AAX to move to channel 294 was dismissed therefore, the license facility must be considered.

² WAJF-LP's application BPL-20181205AAK to move to channel 205 was dismissed therefore, the license facility must be considered.
