Rockledge, FL 32956

Re: 321 Corporation (321)  
WKQK(AM), Cocoa Beach, FL  
Facility Identification Number: 55005  
Special Temporary Authority (STA)  
BESTA-20190426AAU

Dear Mr. Standley:

This is in reference to the request filed on April 26, 2019. 321 requests a further extension of the STA granted on September 20, 2017, to continue operating at night with reduced power to allow time to file the required FCC Form 302 application to update all operating parameters.<sup>1</sup> In support of the request, 321 stated that additional time is needed to complete repairs to one damaged tower and file the application.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and 321 may continue to operate with 0.25 kW at night using the licensed daytime directional antenna pattern (with no change to the licensed daytime operation). 321 must reduce power or cease operation if complaints of interference are received, and must use whatever means are necessary

---

<sup>1</sup> WKQK(AM) is licensed for DA operation on 1300 kHz with a two tower 5 kW daytime pattern, and a three tower 1 kW nighttime pattern.

to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires **November 1, 2019**.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized initial 'J' followed by a series of loops and a long horizontal stroke extending to the right.
