Re: Townsquare Media Monmouth-Ocean License, LLC
(TMMO)
WOBM(AM), Lakewood Township, NJ
Facility Identification Number: 49295
Special Temporary Authority (STA)
BESTA- 20190424AAK

Dear Mr. Kitchen:

This is in reference to the request filed on April 24, 2019. TMMO requests a further extension of the STA granted on December 2, 2014, to continue operating with parameters at variance to allow time to file the required FCC Form 302 application.¹ In support of its request, TMMO states that it plans to file the application to update all operating parameters after completing partial proof measurements.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and

¹ WOBM(AM) is licensed for DA operation on 1160 kHz with 5 kW day and 8.9 kW night.

TMMO may continue to operate with parameters at variance and reduced power if needed to maintain monitor points within licensed limits. TMMO must reduce power or cease operations if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. TMMO must file the application or submit an e-mail to my attention to certify the date the station resumed licensed operation with negligible changes.

This authority expires on **November 13, 2019**.

Sincerely,

A handwritten signature in blue ink, consisting of a large loop followed by a series of connected strokes that end in a long horizontal line.
