FCC Mailroom

File # BALED-20190528AAM

Dear FCC:

We are University of Evansville Indiana (UE) students and are including petitions we collected as UE is trying to sell 91.5 FM WUEV to WAY FM Inc.

Please stop the sale and license transfer and investigate the sale for the reasons in the petitions, \$150K seems very low and raises red flags.

There was NO public notice given by UE. UE is breaking the FCC Law 47 C.F.R Section 73.3580 as they haven't made public announcements as of today, June 24, and the deadline is June 28.

Please email us at collegeradiopetition@gmail.com to confirm receipt?

Dear FCC,

FCC Mailroom

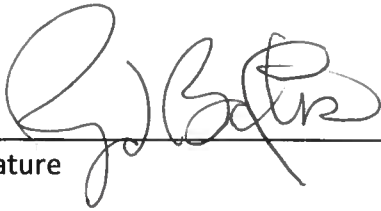

I was not aware of the pending sale of 91.5 FM WUEV in Evansville, IN until now. I do not want to see WUEV sold to WAY FM Inc., and I am respectfully asking that you stop the transfer of license from WUEV to Way FM Inc.

Additionally, I am asking that you please look into this and let me know what is happening.

I care about WUEV because:

1. This is where I hear local musicians, news and sports.
2. Students gain valuable experience and knowledge they cannot get elsewhere.
3. Jazz, blues, rap, children's programming and other formats of music are only available on WUEV and not available elsewhere in our listening area.
4. Other Reasons:

Thank you for your help and attention to this matter,

Dear FCC,

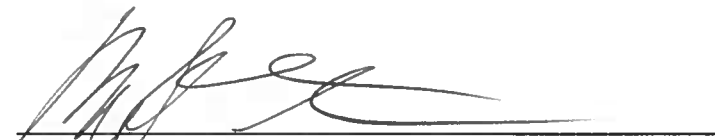

I was not aware of the pending sale of 91.5 FM WUEV in Evansville, IN until now. I do not want to see WUEV sold to WAY FM Inc., and I am respectfully asking that you stop the transfer of license from WUEV to Way FM Inc.

Additionally, I am asking that you please look into this and let me know what is happening.

I care about WUEV because:

1. This is where I hear local musicians, news and sports.
2. Students gain valuable experience and knowledge they cannot get elsewhere.
3. Jazz, blues, rap, children's programming and other formats of music are only available on WUEV and not available elsewhere in our listening area.
4. Other Reasons:

Thank you for your help and attention to this matter,
