In re: KWHS(FM), West Sacramento, CA
Washington Unified School District
BLED-790511AC

Dear Licensee:

This letter is in reference to the above-captioned license for Radio Station KWHS(FM) on Channel 219D in West Sacramento, California.

The license for KWHS(FM) expired on December 1, 1983. Pursuant to 47 C.F.R. §73.1020 and §73.3539, California radio stations wishing to renew their operating authority were required to file license renewal applications by December 1, 1983 and again by December 1, 1990. We have no record of receiving any such applications from your station. Thus, your authority to operate station KWHS(FM) terminated in 1983.

Furthermore, as a Class D station seeking renewal of license for a term expiring after June 1, 1980, KWHS(FM) was required (if possible) to upgrade its facilities or change channels in accordance with 47 C.F.R. §73.512(a). See Second Report and Order, Docket 20735, 43 Fed. Reg. 39704 (1978). In 1979, you filed an application (BPED-790716AE) to upgrade KWHS(FM) to Class A facilities. That application was dismissed for failure to prosecute on December 10, 1980. The Commission's records do not reflect that any action has been taken since 1980 to bring KWHS(FM) into compliance with § 73.512. Furthermore, KWHS(FM) would not be permitted to continue operation on Channel 219D due to predicted interference caused to a KYDS(FM), Channel 218A, Sacramento, CA. Accordingly, even had the appropriate license renewal applications been filed, they would not have granted absent compliance with § 73.512.

Based on the foregoing, we conclude that your authority to operate pursuant to BLED-790511AC has terminated. Accordingly, license BLED-790511AC IS HEREBY CANCELLED and call letters KWHS(FM) ARE HEREBY DELETED. These actions are taken pursuant to 47 C.F.R. §0.283 and 47 U.S.C. §307(c)¹.

Sincerely,

Dennis Williams
