In re: K255AX, Pine Bluff, AR
BPFT-20190829AAA
Facility ID # 150984

Dear Applicant:

This refers to the above-captioned application for K255AX, Pine Bluff, Arkansas. Based on the below, we will dismiss the application BPFT-20190829AAA.

An engineering study has revealed the application is a major change application pursuant to 47 C.F.R. § 74.1233(a)(1)(i)(B). Specifically, the Section states an FM translator's change to any available same-band FM channel is a minor change, "upon a showing of interference to or from any other broadcast station." The applicant states that this non-adjacent channel change is needed to "mitigate potential interference issues" with KPBA(FM).

The applicant does not demonstrate existing/actual interference with KPBA(FM). KPBA(FM), Pine Bluff, Arkansas is licensed to channel 257 (second-adjacent channel to K255AX). KPBA(FM) commenced operation in 2015. K255AX has been operating, at its licensed site, since 2007. We have not received any complaints of interference from KPBA(FM) for 4 years of operation of both stations therefore, does not comply with § 74.1233(a)(1)(i)(B).

Accordingly, the Application BPFT-20190829AAA IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,
