In re: W224CK, Vestavia Hills, AL
BPFT-20190910AEW
Facility ID No. 156965

Dear Applicant:

This letter refers to the above-captioned translator application for W224CK, Vestavia Hills, Alabama.

An engineering study reveals the application is a major change application pursuant to 47 C.F.R. § 74.1233(a)(1). Specifically, the section states that “a major change is any change in frequency (output channel) except: (A) changes to first, second or third adjacent channels, or intermediate frequency channels; or (B) upon a showing of interference to or from any other broadcast station, remedial changes to any same-band frequency.” The license (BLFT-20160929AII) specifies Channel 224. The proposed applications BPFT-20190910AEW specifies Channel 214, or 10th adjacent, which is a violation of § 74.1233(a)(1). This was not addressed in the application. Therefore, the application will be dismissed.

In light of the above, the application BPFT-20190910AEW filed by La Promesa Foundation is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
