Subject: Voluntary Surrender of LPFM Broadcast License WAJB-LP 92.5FM

It is with deep regret that I send this message. WAJB 92.5 FM is no longer broadcasting. We are off the air without any hope of change in our current non-broadcasting status because of failing health, financial, and other reasons.

The Calvary Connection Independent Holiness Church, voluntarily forfeits, and surrenders their LPFM broadcast license

to the FCC for immediate cancelation, forfeiture, and non-renewal.

This action of license forfeiture, and cancelation is immediate; but with great regret.

Sincerely yours,

Statutory Agent/Representative:

Senior Pastor Maurice C Napper
