**RE: WSEM (AM) (ID# 59662) and FM TRANSLATOR (W256DG (ID# 201100)
DONALSONVILLE, GA**

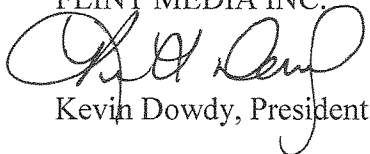

Good Morning:

Flint Media Inc is the licensee of AM station WSEM (#59662) and associated FM Translator W256DG (#201100) permittee licensed to Donalsonville, GA. It has become economically unfeasible to continue the operation of these two stations and it is out desire to turn in the License and permit back to the Commission for cancellation. This move was approved by our Board of Directors at a called meeting late last month.

Should you have any questions about this matter, please don't hesitate to contact me for Clarification.

Sincerely yours.

FLINT MEDIA INC.
