**RE: BROADCAST STATIONS: WAVV (#1154), WTNQ (#36230) and WJRV (#170987)**

Good Morning:

There are presently pending before the Mass Media Bureau the following Transfer of Control applications on form 316:

**WAVV---BTCH 20190130AAT  
WTNQ---BRCH 20190130AAW  
WJRV--- BTCH 20190130AAU**

I am legal counsel for Alpine Broadcasting (WAVV) and Momentum Broadcasting (WTNQ and WJRV). These applications were filed on form 316, but should have been filed on form 315. Therefore, please dismiss these pending applications so that we can file on the form 315 to clarify the FCC database.

Should you have any questions about this, please don't hesitate to contact me.

Kindest regards,

Larry Perry  
Communications Counsel
