Re: **Notification of Reduced Power Operation**
Radio Licene Holding CBC, LLC
Station WSKO(AM), Syracuse, New York
Facility Identifier Number 50515

Dear Ms. Dortch:

This letter, filed in triplicate on behalf of Radio Licene Holding CBC, LLC ("RLH CBC"), notifies the FCC that Station WSKO(AM) is currently operating at approximately fifty percent (50%) of its authorized power during daytime and nighttime hours, pursuant to Section 73.1560(d) of the Rules, due to a lightning strike which caused a problem in the radiofrequency system. It should be noted that the nighttime directional parameters are unaffected and remain accurate. If there is no resolution within thirty (30) days, RLH CBC will file a formal request for Special Temporary Authority.

If you have any questions, please contact undersigned counsel.

Sincerely,

Mark N. Lipp
Counsel to Radio License Holding CBC, LLC
