License Application: BMML-20190513ABM
Construction Permit: BP-20150820ABA

Dear Counsel:

This letter is in reference to the above-captioned license application for AM station WHBO(AM). A preliminary engineering study of the application revealed several deficiencies. Therefore, a letter was sent out on June 26, 2019 listing the deficiencies and explaining that further action on the subject application would be withheld until the applicant submitted an amendment. The letter also stated that failure to respond within 60 days from the date of the letter may result in the dismissal of the application pursuant to Section 73.3568 of the rules.

Accordingly, since a corrective amendment was not received and we did not receive a response within 60 days from the date of the letter, pursuant to Section 0.283 of the Commission's rules, the application (File Number: BMML-20190513ABM) is hereby DISMISSED for failure to prosecute, and the construction permit BP-20150820ABA is hereby CANCELED.

Sincerely,
