Subject: New West Broadcasting KWXX / KAOY / KNWB / KMWB / KPUA

New West Broadcasting, licensee of station KWXX, located in Hilo, Hawaii seeks special temporary authority for 180 days to reduce KXXX’s power from 40kW to 5 kW effective on March 26, 2020. This request will allow KWXX to save significant amounts on its electric bill and offset losses in revenue we are experiencing due to the COVID-19 pandemic and assist us remain on the air during these challenging times. KWXX will be able to continue to serve the majority of its service area with this power reduction. The reduction in power will allow us to maintain 70dBu over the city of license and will result in minimal coverage loss. It will reduce or 60dBu coverage by about 5% and the 50dBu coverage by slightly over 1%

New West Broadcasting, licensee of station KNWB, located in Hilo, Hawaii seeks special temporary authority for 180 days to reduce KXXX’s power from 40kW to 5 kW effective on March 26, 2020. This request will allow KNWB to save significant amounts on its electric bill and offset losses in revenue we are experiencing due to the COVID-19 pandemic. KXXX will be able to continue to serve the majority of its service area with this power reduction. The reduction in power will allow us to maintain 70dBu over the city of license and will reduce or 60dBu coverage by approximately 5% and the 50dBu coverage by slightly over 1%

New West Broadcasting, licensee of station KMWB, located in Captain Cook, Hawaii seeks special temporary authority for 180 days to reduce KXXX’s power from 10kW to 1 kW effective on March 26, 2020. This request will allow KMWB to save significant amounts on its electric bill and offset losses in revenue we are experiencing due to the COVID-19 pandemic. KMWB will be able to continue to serve the majority of its service area with this power reduction. The reduction in power will allow us to maintain 70dBu over the city of license and will reduce our 60dBu coverage by about approximately 4% and the 50dBu coverage by about 6%

New West Broadcasting, licensee of station KAOY, located in Kealahou, Hawaii seeks special temporary authority for 180 days to reduce KXXX’s power from 6.5kW to 1 kW effective on March 26, 2020. This request will allow KAOY to save significant amounts on its electric bill and offset losses in revenue we are experiencing due to the COVID-19 pandemic. KAOY will be able to continue to serve the majority of its service area with this power reduction. The reduction in power will allow us to maintain 70dBu over the city of license and will reduce our 60dBu coverage by about 4% and the 50dBu coverage by about 6%
