In re: K277CV, Tucson, AZ
BPFT-20190502AAU
Facility ID # 155925

Dear Applicant:

This refers to the above-captioned application for K277CV, Tucson, Arizona. Based on the below, we will dismiss the application BPFT-20190502AAU.

An engineering study has revealed the application is a major change application pursuant to 47 C.F.R. § 74.1233(a)(1). Specifically, the Section states that “a major change is any change in frequency (output channel) except changes to first, second or third adjacent channels, or intermediate frequency channels”.

K277CV is authorized to operate on channel 277. K277CW proposes to move to channel 289 by requesting a waiver of Section 74.1233(a)(1) based on interference caused or received by a first adjacent construction permit¹ for KCDX(FM), Florence, Arizona. KCDX(FM)'s construction permit for channel 276 expired on May 2, 2020, therefore K277CV does not need a waiver of § 74.1233(a)(1).

Accordingly, the request for waiver of 74.1233(a)(1), IS HEREBY DENIED, and the Application BPFT-20190502AAU IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

for James D. Bradshaw
Deputy Chief
Audio Division
Media Bureau

¹ KCDX(FM) was granted a construction permit (BPH-20170412AAP) to move to channel 276 on May 2, 2017 with an expiration date of May 2, 2020.
