Dear Licensee:

This letter refers to the two requests for extension of Special Tempoaaty Authority (STA) listed above.

WDTP's STA extension request seeks extension of an earlier STA request granted October 26, 2018 (BSTA-20181011APG). That original STA expired by it own terms on April 24, 2019 and nottimely extension of STA was sought. Smile FM explains that the earlier STA was never utilized but that it is currently nearing the end of its present lease.

As an extension of the 2018 STA, this filing cannot be considered. More than a year has passed since the expiration date of the earlier STA. We will, however, consider this filing as a new STA request (under the file number BSTA-20200616AAI) using the same parameters as in the earlier STA. In that form, the STA request is grantable. **BSTA-20200616AAI IS GRANTED**, with an expiration date of **December 15, 2020**.

With respect to W248CC, the previous STA BSTA-20191126AAL was granted December 3, 2019 with a three month expiration date of April 24, 2019. No timely extension of that request was filed. However, the current STA request BSTA-20200528AAA seeks the same facilities. Accordingly, W248CC's STA BSTA-20200528AAA is again **GRANTED with a three month expiration date of September 20, 2020**. An extension request may be considered if necessary.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dale Bickel".
