Re: Transfer Application – File No. BALFT - 20200430AAK

Dear Mr. Bradshaw:

This letter is written with regard to File. No. BALFT - 20200430AAK. This Form 345 Application for Transfer of Control was intended to assign only station K218EJ (Fac. ID 20799) from Centro Cristiano de Vida Eterna, the Licensee/Transferor, to Hope Franco Organization Incorporation, the proposed assignee. However, the form inadvertently also listed Station K287BQ (Fac. ID 148244) on the application as the main station. As such, we respectfully request the stations be separated and K287BQ's assignment be dismissed. We also request that the proposed assignment of K218EJ continue to be processed.

If there are any questions regarding the foregoing, please contact the undersigned.

Sincerely,

/s/ Elizabeth E. Craig
