Request for Special Temporary
Authority to Remain Silent

Dear Ms. Crump:

This letter concerns the request you filed on May 29, 2020, on behalf of Northern Michigan Radio, Inc. (NMR), for Special Temporary Authority (STA) to permit FM Translator Station W252DA to remain silent.

NMR's request states that Station W252DA went silent on December 9, 2019, for financial reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

NMR's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W252DA to remain silent until December 9, 2020. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W252DA will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., December 10, 2020.**²

NMR is required to notify the Commission when broadcast operations resume. If NMR does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.³

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.⁴

Finally, Section 73.1740(a)(4) of the Commission's Rules permits licensees to temporarily discontinue operations for good cause, and for a period not to exceed 30 days without further authority.⁵ This rule requires that the licensee notify the Commission by letter not later than the 10th day of limited or discontinued operations, and requires a licensee to seek Commission authorization for any period of

¹ In the event extension of special temporary authority is sought, please renew the certification in this matter.

² See 47 U.S.C. § 312(g).

³ *Id.* In addition to filing a notification of resumption of operations electronically on the date operations resume, notification of resumption must also be emailed to Denise.Williams@FCC.gov.

⁴ See 47 CFR. §§ 17.6 and 73.1740(a)(4).

⁵ See 47 CFR. § 73.1740(a)(4).

limited or discontinued operations exceeding 30 days. NMR failed to submit a timely request for an STA to permit Station W252DA to remain silent beyond January 9, 2020, and the action taken herein shall not be construed as authorizing the station to remain silent between January 9, 2020, and May 29, 2020.
