Silent since August 24, 2020

Request for Special Temporary
Authority to Remain Silent

Dear Ms. Crump:

This letter concerns the request you filed on August 26, 2020, on behalf of Broadcasting Sciences LLC (BS), for Special Temporary Authority (STA) to permit FM Translator Station W221DG to remain silent.

BS's request states that Station W221DG went silent on August 24, 2020, for technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.¹

BS's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W221DG to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W221DG will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., August 25, 2021.**²

BS is required to notify the Commission when broadcast operations resume. If BS does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.³

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.⁴

Sincerely,

Victoria McCauley
