Request for Extension of Special Temporary
Authority to Remain Silent

Dear Ms. Crump:

This letter concerns the request you filed on September 4, 2020, on behalf of Northern Michigan Radio, Inc. (NMR), for extension of Special Temporary Authority (STA) to permit FM Radio Station WFDX to remain silent.

Commission records reflect that NMR stated that Station WFDX(FM) went silent on March 1, 2020, for financial reasons. The previous STA was granted on March 17, 2020, and expired on September 13, 2020. NMR requests extension of its STA due to the COVID-19 emergency. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

NMR's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WFDX(FM) to remain silent until March 1, 2021. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WFDX(FM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., March 2, 2021.**¹

NMR is required to notify the Commission when broadcast operations resume. If NMR does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Victoria McCauley
