In re: WSRT(FM), Gaylord, MI

Facility ID No. 1159

Silent since December 9, 2019

Request for Extension of Special Temporary

Authority to Remain Silent

Dear Ms. Crump:

This letter concerns the request you filed on September 4, 2020, on behalf of Northern Radio of Michigan, Inc. (NRM), for extension of Special Temporary Authority (STA) to permit FM Radio Station WSRT to remain silent.

Commission records reflect that NRM stated that Station WSRT(FM) went silent on December 9, 2019, for financial reasons. The previous STA was granted on January 27, 2020, and expired on July 25, 2020. NRM requests extension of its STA due to the COVID-19 emergency. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

NRM's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WSRT(FM) to remain silent until December 9, 2020. Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WSRT(FM) will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., December 10, 2020.

NRM is required to notify the Commission when broadcast operations resume. If NRM does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.<sup>2</sup>

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.<sup>3</sup>

Sincerely,
Victoria Milaulez
