RE: **Construction Permit Tolling Status**  
K263CC Heber, CA  
FACID: 202104  
BNPFT- 20180508ABF

Dear Madam Secretary:

On behalf of The Voice of International Christian Evangelism, Inc., permittee of the above-referenced station, and pursuant to Section 73.3598 of the Commission's rules, the following CP tolling status report is filed at the Commission's request. In support thereof the following is shown:

The subject construction permit has been tolled due to an unresolved Special Condition providing for further review by the Instituto Federal de Telecomunicaciones ("IFT") in Mexico. This Special Condition states further that it will be removed if formal acceptance of the facilities granted herein is received from IFT.

Undersigned counsel received an email today from the Commission's International Bureau (John Grizzle) advising that the IFT accepted the construction permit allotment by letter dated July 15, 2020.

Please address any questions concerning this matter to the undersigned.

Sincerely,

  
John S. Neely
