Addition to Exhibit 12

The assignee plans to continue existing programming which is consistent with its mission. This is a sampling of recent representative shows:

Source of Health- Lola Hernández from *Autismo en Casa* explains how violent behaviors affect children with autism.

Road to Success- Dr. Eduardo López-Navarro advises us to be cautious in the face of the COVID-19 emergency and how to celebrate Christmas in a pandemic.

Knowledge is Power- The agro-businesswoman Isabel Nieves tells us about how the pollution of the aquatic and excessive fishing are endangering the oceans and the species that live there.

Blue Planet- The United States Forest Service advises how to apply online for permission to cut your Christmas tree in the national forests.

News- José López Zamorano reminds us that we still have time to enroll in the Affordable Health Law and informs us that the vaccines against COVID-19 are almost ready.

Pajaro Valley Unified School District- Dr. Rodriguez answers the Top 10 Questions made by community members regarding schools, students, staff and school district related items.

GOAL- Greater Opportunities thru Adult Learning broadcasts live ESL (English as Second Language) classes.
