Re: TBLCD Virginia Holdings, LLC (TVH)  
WTOX(AM), Glen Allen, VA  
Facility Identification Number: 129524  
Special Temporary Authority (STA)  
BESTA-20210320AAE

Dear Mr. Janbakhsh:

This is in reference to the request filed on March 20, 2021. TVH requests a further extension of the STA granted on August 27, 2019, to continue ND operation with reduced power to allow time for Mobile Radio Partners, Inc. (MRP) to file the required FCC Form 302 application (after installation of the new replacement tower)<sup>1</sup> In support of the request, TVH stated that MRP plans to install the new tower in order to restore licensed operations (by filing the application to update all operating parameters).

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA is **HEREBY GRANTED**, and TVH may continue to operate ND with a maximum of 1.57 kW (day) and 0.375 kW (night). TVH must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR §1.1310.

---

<sup>1</sup> WTOX(AM) is licensed for DA operation on 1480 kHz with 6.3 kW (day) and 1.5 kW (night), using the daytime pattern at night with reduced power.

TVH must submit an e-mail to my attention to note the date the sale of the station to MRP was completed.

This authority expires on **September 28, 2021**.

Sincerely,

A handwritten signature in blue ink, reading "Joe Szczesny". The signature is fluid and cursive, with the first name "Joe" being more prominent and the last name "Szczesny" following in a similar style.

Joseph Szczesny, Engineer
