Facility ID No. 124092  
Silent since November 4, 2019

**Notification of License Expiration**

Dear Licensee:

Our records indicate that the station referenced above has been silent since at least November 4, 2019. Therefore, pursuant to section 312(g) of the Communications Act of 1934, as amended (Act),<sup>1</sup> the station's license expired as a matter of law at 12:01 a.m., November 5, 2020.<sup>2</sup>

This letter provides you 30 days to provide evidence<sup>3</sup> that our records incorrectly reflect the operational status of the station and that, in fact, the station returned to the air with authorized facilities at some time between November 4, 2019, and 12:01 a.m., November 5, 2020. If you fail to provide such documented evidence within 30 days from the date of this letter, the Commission's public and internal databases **WILL BE MODIFIED** to indicate that the broadcast license for the referenced station is **EXPIRED**, that the station's license is **CANCELED** as a matter of law, and that the station's call sign is **DELETED**.

Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower be maintained until the tower is dismantled. Accordingly, the

<sup>2</sup> Section 312(g) of the Act provides that if a broadcast station fails to transmit broadcast signals with its authorized facilities for any consecutive 12-month period, then the station license granted for the operation of that broadcast station expires at the end of that period, notwithstanding any provision, term, or condition of the license to the contrary, except that the Commission may extend or reinstate such station license to promote equity and fairness.

<sup>3</sup> This evidence must indicate the location, effective radiated power and antenna height above ground level for **all periods of operation** from November 4, 2019, to the present. Also include copies of all leases, personnel records (including payroll records appropriately redacted to protect the privacy of individual employees), engineering records, and station records, including EAS logs, for all periods. In addition, you must provide copies of all invoices, bills, checks written or received, credit card charges, wire transfers or deposits of funds relating to the Station's operation. In addition, if the Station uses accounting software to maintain financial records, provide printouts of the data recorded for this period. You **must also include pictures** of the Station's studio facilities and transmission facilities during this timeframe, and provide exact Station coordinates.

owner of the tower where the referenced station's transmitting antenna is located is required to maintain the tower in the manner prescribed by our rules and the terms of the cancelled license.<sup>4</sup>

Documents sent in response to this letter shall be addressed to FCC, Office of the Secretary, 45 L Street, NE, Washington, DC 20554, and emailed to Victoria McCauley at the address below.
