Subject: Request for program test authority for KMTT (FM), Tacoma, WA, BLH-20080730AKI

This e-mail is in regard to license application BLH-20080730AKI for KMTT. Program test authority is requested for full power operation in accordance with construction permit BPH-20051202AKB. We have reviewed the license application and related exhibits and find it to be acceptable for filing.

Consequently, by this e-mail, program test authority IS GRANTED to permit KMTT (FM) to operate at an effective radiated power of 68.0 kW ERP with the facilities authorized in construction permit BPH-20051202AKB

This authority is being sent by e-mail in lieu of a letter in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

If there are any questions, please contact me at 202-418-2706.
