Re: Request for Further Hold of Processing of Application
Clear Channel Broadcasting Licenses, Inc.
WIOD, Miami, FL, 610 KHz, Facility ID 14242
FCC File No. **BP-20170406AAD**

Dear Mr. Nguyen:

On behalf of Clear Channel Broadcasting Licenses, Inc., the licensee of WIOD, Miami, FL, Facility ID 14242 this letter hereby requests an additional hold of up to 180 days on the processing of the above referenced application for minor change in licensed facility.

The environmental assessment pursuant to 47 C.F.R. Section 1.1306 has been returned by the FCC for further work. During the most recent 6 month

We have completed a number of required items however we are still awaiting final action of several local and state regulatory authorities to enable us to complete the environmental assessment required as part of the Antenna Structure Registration applications for the facility. A partial listing of items which are either completed or awaiting scheduling for hearing includes: Class III Permit (CLIII-2018-0011), Class IV Permit

Son Nguyen, Supervisory Engineer Audio Division, Media Bureau

(CLIV-2017-0082), Florida Department of Environmental Protection (Permit No.: 13-0355950-002-E), and an Army Corps of Engineers Section 404 Dredge and Fill Permit (SAJ-2017-01814).

This request for additional time will allow for completion of the items necessary for the registration process followed by amendment of BP-20170406AAD to include those registration data into the application.

Please contact the undersigned with any communications regarding this matter.

Respectfully submitted,

Troy G. Langham
