Re: Singing River Media Group, LLC (SRMG)
WVNA(AM), Tuscumbia, AL
Facility Identification Number: 19457
Special Temporary Authority (STA)
BESTA-20210629AAE

Dear Mr. Self:

This is in reference to the request filed on June 29, 2021. SRMG requests a further extension of the STA granted on August 9, 2010, to continue operating from an alternate site to allow time to file the required FCC Form 302 applications for WLAY and WVNA to co-locate at the new construction permit site.¹ In support of the request, SRMG stated that it plans to complete construction in the upcoming months.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA is GRANTED, and SRMG may continue to operate with the following facilities:

¹ WVNA(AM) is licensed for operation on 1590 kHz with 5 kW ND (day) and 1 kW DA (night), and BP-20200814ARG authorizes ND operation from a new site with reduced power.

Geographic coordinates	34° 40' 27" N, 87° 42' 46" W (NAD 1927)
Frequency	1590 KHz
Hours of operation	Day and night
Operating power	0.5 kW (day), 0.05 kW (night)
Antenna type	45 meter vertical long-wire
Antenna efficiency	264.1 mV/m/kW at 1km

SRMG must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. SRMG must submit an e-mail to my attention to note the date the applications were filed to allow our staff to determine if any further STA operation will be required.

This authority expires on **December 30, 2021**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Szczesny", with a long, sweeping diagonal line extending upwards and to the right from the end of the signature.

Joseph Szczesny, Engineer
