Special Temporary Authority (STA)
BESTA-20210614AAG

Dear Mr. Cintron:

This is in reference to the request filed on June 14, 2021. SC requests a further extension of the STA granted on November 24, 2015, to continue ND operation based upon the facilities authorized by BP-20190702AAZ to allow time to file the required FCC Form 302 application.¹ In support of the request, SC stated that additional time will be needed to complete all remaining modifications and file the application.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA is hereby GRANTED, and SC may continue to operate ND using a maximum of 0.75 kW (day) and 0.17 kW (night) as authorized by the construction permit. SC must use whatever means are necessary to protect workers and
