Re: Townsquare License, LLC (Townsquare)
WADB(AM), Asbury Park, NJ
Facility Identification Number: 14895
Special Temporary Authorization (STA)
BESTA-20210624AAC

Dear Mr. Stabbert:

This is in reference to the request filed on June 24, 2021. Townsquare requests a further extension of the STA granted on November 12, 2013, as modified to continue operating with an ND antenna to allow time to complete all remaining repairs and file the required FCC Form 302 application.¹ In support of the request, Townsquare states that additional time will be needed to file the application to update all operating parameters after multiple large construction projects adjacent to the site have been completed.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete, and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of STA IS HEREBY GRANTED, and Townsquare may continue to operate ND using tower #1 (ARSN 1224828) with a maximum of

¹ WADB(AM) is licensed for DA operation on 1310 kHz with 2.5 kW day and 1 kW night using different patterns.

0.625 kW daytime, and 0.25 kW nighttime. Townsquare must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. Townsquare must submit an e-mail to my attention to note the date the application was filed.

This authority expires on **January 12, 2022**.

Sincerely,
