Re: Mainstreet Media of Colorado, LLC (MMCL)  
KKCL(AM), Golden, CO  
Facility Identification Number: 161314  
Special Temporary Authority (STA)  
BESTA-20210709AAL

Dear Mr. Lontine:

This is in reference to the request filed on July 9, 2021. MMCL requests a further extension of the STA granted on December 17, 2018, to continue operating from an alternate site to allow time to file the required FCC Form 301 application.<sup>1</sup> In support of the request, MMCL estimates that it plans to file the application to propose a new permanent facility before September 6, 2021.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA is GRANTED, and MMCL may continue to operate using the following facilities:

Geographic coordinates	39° 45' 59" N, 105° 14' 12" W (NAD 1927)
Frequency	1550 kHz
Hours of operation	day and night

---

<sup>1</sup> KKCL(AM) is licensed for operation on 1550 kHz with 0.99 kW ND (day) and 0.35 kW DA (night).

Operating power  
Antenna type

0.2 kW (day), 0.0875 kW (night)  
36.6 meter long wire antenna

MMCL must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. See 47 CFR §1.1310.

This authority expires on **January 29, 2022.**

Sincerely,
