Re: Midway Broadcasting Corporation (MBC)  
WRLI(AM), Cicero, IL  
Facility Identification Number: 42068  
File Number: BP-20210303AAD

Dear Ms. Cooper:

This letter refers to: the above-captioned application filed by MBC to modify the last license to eliminate the share time operation condition with WCEV(AM); the March 29, 2021 Informal Objection filed by Mark Heller; and the April 12, 2021, Opposition filed by MBC. We will deny the objection and grant the application for the reasons shown below.

Mr. Mark Heller objected to the application on the basis that MBC was attempting to block him from purchasing the license for WCEV(AM), while the April 12, 2021, Opposition states that the application was filed to eliminate the share time condition from its last license because the license for WCEV must be automatically cancelled since the station did not resume operations after being off the air for over a year. Our records indicate that the license for WCEV(AM) was cancelled on July 30, 2021 due to failure to operate for over one year. As a result, the Informal Objection is HERBY DISMISSED as moot without further review, and the application BP-20210303AAD is HERBY GRANTED.

Sincerely,

Son Nguyen  
Supervisory Engineer
