RE: W226CT, Leeds, AL
Facility ID No. 141696
Silent since November 2, 2020
Request for Extension of Special
Temporary Authority to Remain Silent

Dear Mr. Woodworth:

This letter concerns the request you filed on August 2, 2021, on behalf of Avondale Metal Works, LLC (AMW), for extension of Special Temporary Authority (STA) to permit FM Translator Station W226CT to remain silent.

Commission records reflect that AMW stated that Station W226CT went silent on November 2, 2020, for technical reasons. The previous STA was granted on February 5, 2021, and expired on August 4, 2021. AMW requests extension of its STA for continuing technical reasons.

AMW's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W226CT to remain silent until November 2, 2021. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W226CT will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., November 3, 2021.**¹

AMW is required to notify the Commission when broadcast operations resume. If AMW does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to section 312(g) of the Communications Act, as amended.²

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.³

Sincerely,

Victoria McCauley
Attorney, Audio Division
