Jim:

Erik Swanson advised that he spoke with you about Raymond. And sent me the following message:

As you already know, Sunnylands was the original proponent of the Raymond allotment back in 2015, so this application is filed as an amendment to the original Form 301 that accompanied the Petition for Rulemaking. That Form 301 application was filed in CDBS, and per instructions from Jim Bradshaw we are supposed to work up the amendment in CDBS, but not file it there. Instead we are to print it out as a PDF and send it in via email; they will then enter the data into the system themselves. (Jim said that we \*could file in LMS, but that the system would ask for another filing fee. Definitely not what we want to do.)

Accordingly, attached is the CDBS application. Please let me know when it has been entered so that I can create the public notice. Today is the filing deadline so please let me know if there are any issues I need to address.

Thank you,  
Gregg
