Re: ZIP2, LLC  
WKGE(AM), Johnstown, PA  
Facility Identification Number: 72964  
Special Temporary Authority (STA)  
BESTA-2021007AAI

Dear Mr. Schober:

This is in reference to the request filed on October 7, 2021. ZIP2 requests a further extension of the STA granted on October 19, 2016, to continue ND operation with reduced power to allow time to file the required FCC Form 301 application due to extensive damage to the old licensed facility.<sup>1</sup> In support of the request, ZIP2 stated that it plans to file the application shortly.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and ZIP2 may continue ND operation using tower #5 of the WKGE array with a maximum of 2.5 kW (day and night). ZIP2 must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See 47 CFR §1.1310.*

<sup>1</sup> WKGE(AM) is licensed for DA operation on 850 kHz with 10 kW (day and night).

This authority expires on **April 20, 2022**.

Sincerely,
