Re: Winchester Radio Broadcasters, LLC (WRB)
WXVA(AM), Winchester, VA
Facility Identification Number: 4668
Special Temporary Authorization (STA)
BESTA-20210915AAC

Dear Mr. Schober:

This is in reference to the request filed on September 15, 2021. WRB requests a further extension of the STA granted on September 30, 2016, to continue operating at night using the licensed daytime site antenna system due to the loss of the licensed nighttime site.¹ In support of the request, we noted that WRB did not file the required FCC Form 301 application to propose a new permanent facility over the past six months.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA is **HEREBY GRANTED**, and WRB may continue to operate ND at night with 0.125 kW using the licensed daytime site antenna system, with no change to the licensed daytime operation. WRB must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the

¹WXVA(AM) is licensed for operation on 610 kHz with 0.38 kW ND (day) at the existing daytime site, and 0.5 kW DA (night) at the old nighttime site.

Commission's exposure guidelines. See 47 CFR §1.1310. WRB must submit an e-mail to my attention to note the date the application was filed.

This authority expires on **April 18, 2022**.

Sincerely,

A handwritten signature in blue ink that reads "Joe Szczesny". The signature is fluid and cursive, with a large loop at the beginning of the word "Joe".
